NOV

Information gathering and  
initial implementation

DEC

completion of Phase 1 and  
Phase 2

JAN

Phase 3 & 4

FEB

Finalization of  
project

# November ●

## Key Goals:

- Knowledge gathering
- Rough project plan
- Inputting example trace files to VS Code

Meeting 1  
(06.11)

Meeting 2  
(13.11)

Meeting 3  
(27.11)

## Meeting 1 (06.11)

- Knowledge gathering
- Rough project plan.
- Obstacles and problems faced.

## Meeting 2 (13.11)

- Project plan
  - Work package breakdown
  - Defining of phases
- Basic VS Code extension with provided trace file.

## Meeting 3 (27.11)

- Project architecture draft
- Concrete timeline of phase 1 and phase 2
- Selection of chart library

Finalization of  
project

# December ▲

## Key Goals:

- Testing more static trace file examples
- Creating graphs from static trace files using selected charting library

Soft  
Deadline 1  
(04.12)

Soft  
Deadline 2  
(11.12)

Phase 1 & 2  
Deadline  
(20.12)

## Soft Deadline 1 (04.12)

- Create graphs using selected plugin without trace file
- Initial steps towards creating graphs with static trace file

## Soft Deadline 2 (11.12)

- Create graphs using static trace file input
- Add features to created graphs
  - Adding data representation to the created graphs

## Phase 1 & 2 Deadline (20.12)

- Completed static graph with graphical features from given static trace file
- Final testing of completed milestones
